THIS AGREEMENT IS A CONTRACT. UNDER THE TERMS OF THE CONTRACT YOU RECEIVE CERTAIN RIGHTS DUE YOU FROM THE SELLER AND YOU, IN TURN, GIVE THE SELLER CERTAIN RIGHTS THAT AFFECT YOU. THIS CONTRACT ALSO CONTAINS PROVISIONS THAT DELINEATE AND RESTRICT YOUR RIGHTS ABOUT REFUND AND WARRANTY AND THAT LIMIT THE LIABILITY OF THE SELLER.

YOU MUST ACCEPT THESE TERMS OR THE SELLER WILL NOT TRANSACT BUSINESS WITH YOU OR SELL A PRODUCT, SERVICE OR MEMBERSHIP TO YOU, AND YOUR ORDER WILL NOT BE PROCESSED IF YOU DO NOT ACCEPT THESE TERMS.

YOUR PLEDGE OF AN UNDERSTANDING OF THIS CONTRACT AND ACCEPTANCE OF THE RIGHTS, DUTIES, AND LIMITATIONS EMBODIED IN IT, IS A MATERIAL PART OF THE LEGAL CONSIDERATION THAT THE SELLER REQUIRES FROM YOU AS A CONDITION OF SALE.

PARTIES TO THIS AGREEMENT AND DISCLAIMER

The parties to this agreement are the website or its owners, hereafter "SELLER," and you, the prospective purchaser, hereafter "BUYER". Persons or entities who are not participants in this contract but who have an indirect relationship, such as a supplier, joint venture partner, membership organization, or sales affiliate, are herein described as "THIRD PARTY OR THIRD PARTIES." The recipient of the product herein sold, where said product is ordered by and paid for by someone other than the recipient, is classified herein as if that recipient were the ordering BUYER with the same rights, duties, and obligations as the BUYER, but may also be referred to herein as 'RECIPIENT'.

SUBJECT MATTER OF THIS PURCHASE AGREEMENT

The subject matter of this agreement is a product, service, or membership described in promotional or sales materials on this website and/or in an email referencing this website, and said website and/or email and its contents are incorporated herein by reference and made a part hereof and constitute a complete description of the product, service or membership that is the subject matter of this Purchase Agreement. This bundle of offerings, including additional items promoted on the order page, shall, together, be termed 'product' throughout this agreement but the word 'product' shall mean all elements offered in the sale, whether digital, dimensional, or other license or right, and include all sales or promotional materials.

REFUND POLICY

The product referenced herein is sold with a 60 day refund.

RIGHTS AND OBLIGATIONS OF THE BUYER

The Buyer must pay the full consideration for this product that the Seller requires as the total price of the product. This consideration includes not only the purchase price, but other

obligations that the Buyer accepts as well as potential rights the Buyer agrees to forego. By accepting this Purchase Agreement, the Buyer agrees to receive continuing follow-up contact from the Seller including email, mail, newsletters, product updates, product recall notices, product improvements, telephone calls from the Seller and/or telemarketing organizations and/or pollsters for the purpose of solicitation related to the instant product or any other product or service. Buyer agrees to post-sale contact from joint venture partners of the Seller or from others who have a commercial relationship with the Seller. Buyer agrees that all personal information about the buyer or his or her buying habits and preferences, including address and phone number, may be placed in a general database and agrees that this information may be shared, rented or sold to third parties. However, Buyer shall at all times be fully empowered to sever contact with the Seller by notification using the 'unsubscribe' link in solicitations. Moreover, the Buyer retains the right to refuse specific contact with some third party solicitors and maintain it with others. The Buyer retains the right to have his or her name removed from a general solicitation database. The Buyer's agreement to accept solicitation and contact may be reduced, enhanced, limited or terminated by notification to anyone contacting the Buyer. The burden is on the Buyer to prove that such communication was made to and received by the person making contact. Buyer agrees that Seller is not liable for communications made to the Buyer by parties unrelated to this purchase even though referred by the Seller. Buyer accepts full responsibility for limiting unsolicited contact and Buyer understands that he retains all rights to directly restrict communication or solicitation from any party including the Seller.

The Buyer agrees to allow the Seller to collect, store, and use for marketing purposes all information collected from, provided by or otherwise ascertained by electronic means from the Buyer. The Buyer, specifically, and as part of the consideration paid for this product, waives all right to access, retrieve, or control such information except that the Buyer retains the right to restrict contact as described previously.

The Buyer understands that cookies may be placed on his or her hard drive that will provide information to the Seller and which are necessary for delivering an e-product and which will be able to determine if you retain the right to access the product. Buyer understands that these cookies or other computer codes will reside on the hard drive and will communicate at times with the Seller's computer and thereby transmit and receive information.

Buyers living in locations that require custom duties and/or VAT taxes to be collected understand that, unless custom duties are collected at the point of sale by the Seller, the Buyer remains responsible for payment of custom duties and taxes at the time the product is received. If it should happen that the Seller's courier or freight account is charged for custom duties and tax, instead of the Buyer paying referenced charges, then the Buyer hereby authorizes the Seller to bill the Buyer's credit card for said charges or for the return of goods if they are refused at the point of destination.

CREDIT CARD CHARGES AND CREDIT CARD FRAUD PENALTIES

Buyer warrants that he or she is over 18 years of age, not subject to the Child Online Privacy Act, of legal age to enter into contractual agreements in the state in which he is present when he makes this purchase, and is the true and authorized owner of the credit card used to make this purchase. Any Buyer who violates any of these requirements may be liable for civil or criminal prosecution and agrees to pay liquidated damages of an amount the equivalent of US\$10,000 per fraudulent transaction, plus actual damages, and agrees that all information collected by this website may be used for prosecution and may be turned over to law enforcement agencies or to credit card companies and merchant service providers.

If the true and/or authorized owner of the credit card attempts to commit fraud upon the Seller, he authorizes each and every credit card company or merchant service provider to disclose to the Seller all information that could be construed as proof of credit card fraud.

Any Buyer who attempts to perpetrate a fraud upon Seller involving the use of a credit card herewith gives authorization for the Seller to access all credit information about the Buyer from credit reporting agencies and also authorizes the Seller to discover all relevant information from any source about the fraudulent practices of the Buyer and to reveal such information to credit reporting agencies, credit card companies, merchant service providers, and law enforcement agencies.

Buyer agrees that if he uses trickery to receive more than one refund, or if he causes a fraudulent dispute claim that results in a chargeback against the Seller's account, that the Seller is authorized to re-charge the Buyer's credit card that was used for the original purchase to the extent that will make the Seller whole. Buyer agrees to, in addition to actual damages, pay to the Seller liquidated damages of an amount equivalent to US\$10,000 for every separate fraudulent action Buyer commits.

Buyer warrants an understanding, as required consideration, that the Seller of this product disclaims all liability for the product or damages resulting from use or installation or reliance upon this product for any reason. Buyer alone accepts full responsibility for allowing others to use this product. Buyer understands that Seller disclaims liability for any information contained in sales or promotional materials or the product itself that is unintentionally misleading or incorrect that might cause damage to Buyer.

Buyer expressly waives any and all claims for consequential, speculative, and unforeseeable damages resulting from the purchase or use of this product or from subsequent contact with Seller or Third Parties.

Buyer expressly agrees that no matter what may happen because of his or her purchase of this product, or no matter what damage may be allegedly or actually caused by the use of this product, or no matter the harm or damage that may result directly or indirectly from the purchase of this product, for any reason whatsoever, that the absolute maximum extent of Seller's liability shall be an amount no greater than the purchase price of the product.

SPECIFIC DISCLAIMERS AS TO 'RESULTS CLAIMS', 'INCOME CLAIMS', OR 'EARNINGS CLAIMS' IN SALES AND PROMOTIONAL MATERIALS OR PRODUCT

If claims about results from using this product or if claims about income or earnings resulting from the use of this product are made, such claims are true for the persons who made the claims, including claims made by the Seller about its own experience with the product.

However, Buyer cannot simply rely on these statements as being duplicable by Buyer because many factors affect results, including just dumb luck. Some people buy this product to make money and, in fact, make no money. Some people buy this product and never read it or attempt to implement any of the moneymaking ideas. Some folks seemingly take to it like a duck to water and can't stop making money. Nothing promoted on this website should be construed as a 'Get rich quick' scheme. The products Buyer is buying to learn how to make money or products that Buyer is buying to re-sell, have all been proven money-makers. The income and earnings statements, if any, tend to reflect the more successful cases and Buyer should not construe this as being the 'average' or usual success story. As is true in much of life, real success usually requires real work. Learning about the internet is not terrible work and it can produce very livable income if Buyer is willing to learn his or her craft and work at it steadily. Even part-time efforts may bring in some extra money each month. But it requires learning skills that Buyer may not have a background to easily learn and will certainly require constant education and, perhaps, even psychological motivation to keep Buyer directed toward his or her goals.

If the product Buyer is purchasing is a physical product promoted for a particular purpose and if the promotional materials make claims about the results from the use of this product, Buyer hereby warrants his understanding that there exists some probability that the product will not deliver those same results to any particular Buyer and that the refund of the purchase price (subject to the return of the product to the Seller) is the full remedy for any Buyer who feels the product did not deliver the results claimed.

If the product Buyer is purchasing is a membership or a product 'plan' that claims to produce specific benefits or results or that otherwise involves a recurring fee, the Buyer has a right to terminate the membership or 'plan' upon notice to the Seller. In this case, the promotional materials describing the membership and the 'plan' and the remedy for dissatisfaction shall be controlling. If the promotional materials say that part of a fee is not refundable, then it is not.

Where this disclaimer and claims made in sales and promotional materials or the product are in conflict, this Purchase Agreement shall be controlling except, and unless, the Seller deliberately misled the Buyer or if such construction would cause material inequity. The sole burden is on the Buyer to substantiate any deliberate deception. Buyer accepts the obligation to reimburse the Seller for all court costs, investigation costs, attorney fees, and all litigation-related costs in the event Buyer brings suit against the Seller and does not prevail in court or at arbitration.

No warranties are made whatsoever about the amount of money, if any, that Buyer will earn from this material or product or service and Buyer warrants an understanding that Buyer's only course of action is to test this product and material for the extent of the refund period and request a refund if Buyer is not satisfied prior to its expiration.

Buyer, again, warrants an understanding that in any event, for any reason, no matter the amount of damages claimed, as a material part of the consideration for purchase of this product, the maximum amount of liability shall be the purchase price of the product.

Hearing will take place in the city or county of the Seller.

In no case shall the Buyer have the right to go to court or have a jury trial. Buyer will not have the right to engage in pre-trial discovery except as provided in the rules; you will not have the right to participate as a representative or member of any class of claimants pertaining to any claim subject to arbitration; the arbitrator's decision will be final and binding with limited rights of appeal.

The prevailing party shall be reimbursed by the other party for any and all costs associated with the dispute arbitration, including attorney fees, collection fees, investigation fees, travel expenses.

JURISDICTION AND VENUE

If any matter concerning this purchase shall be brought before a court of law, pre- or post-arbitration, Buyer agrees to that the sole and proper jurisdiction to be the state and city declared in the contact information of the web owner unless otherwise here specified. In the event that litigation is in a federal court, the proper court shall be the closest federal court to the Seller's address.

APPLICABLE LAW

Buyer agrees that the applicable law to be applied shall, in all cases, be that of the state of the Seller.

NOTICE

Buyer herewith agrees to receive Notice of Changes, Litigation, Service of Process, Cancellation, Termination, and Modification of service or product at the email address provided to Seller on the ordering page. Further, Buyer agrees that the right to contact Buyer concerning legal notice shall not be terminated by previously submitted 'unsubscribed' notices and specifically agrees that any notification to cease contact shall not be binding upon the Seller in regards to Notice of Change, Litigation, Service of Process, Cancellation of Product or Service or Membership or Subscription,

Termination of a program, product or website, or Modification of the terms of service or product. Additionally, the Buyer grants Seller irrevocable right to contact him or her via mail or telephone concerning any of these issues irrespective of other rights the Buyer has to sever contact with Seller.

COSTS

The prevailing party to any arbitration or litigation will be entitled to collect attorney fees and all other costs of the arbitration or litigation, including filing fees, investigation fees, collection fees, and travel expenses from the other party.

MODIFICATION

This Purchase Agreement cannot be modified in any manner between the Seller and this Buyer unless modifications are made in writing signed by both parties. However, the Seller may modify this Purchase Agreement at any time for other Buyers without notice to the instant Buyer.

ENFORCEABILITY OF PROVISIONS

In the event that some provisions, terms, conditions of the Purchase Agreement are held to be invalid or unenforceable, the remainder of the provisions that are enforceable shall control. Additionally, Buyer and Seller agree that, if any provision is found to be invalid or unenforceable, the arbitrating panel will construe such provision to the maximum extent that it might be found to be valid or enforceable.

WAIVER OF BREACH

The Seller's waiver (failure to enforce) any term of this agreement shall not be construed as a modification or an amendment to this agreement or constitute a waiver of other breaches.
